- **Sessional Time may be reimbursed up to a maximum of 2.5 hours per meeting per participant.**
- **Meetings of more than 2.5 hours duration require additional approval. Please contact the VJHPS Project Manager to discuss further at [programdirector@vernonphysiciansociety.ca](mailto:programdirector@vernonphysiciansociety.ca)**
- **Meeting participants must log into FEMS to submit their claim for reimbursement. When submitting your FEMS claim, you must include in the description the names of the meeting's participants, the purpose of the meeting and the outcomes achieved.
